Dedicated to the  
Memory of  
Judy Schey

## One Prayer

Judy was filled with love and care,  
And if she were here she would want one prayer.

To be remembered with a smile.  
Just for a little while ~ we must cry.

But everyone must say goodbye.

Everytime someone does a fling,  
Everytime someone does a half tulloch swing,  
And you think of Judy,  
Please don't cry, even though, we had to see her go.

For her one prayer would be,  
Dance for me!!!!  
Smile for me!!!!
